University of Maryland
Environmental Finance Center

Session 3: “Lessons from the Trenches: Tips for Preparing for the Next Extreme Event” will start momentarily.
Join us for a networking discussion at the conclusion of the session.

This session is the last in a 3-part series.

In case you missed any of the sessions, we will be sending an email when the session recordings are available on the RASCL website: <https://www.derascl.org/>

Thank you for joining us for the 2020 RASCL Annual Summit!
