
RASCL Project Guidance Group

Michelle Koenig
Chair, RASCL RPI Committee
Delaware Center for the Inland Bays

RASCL PGG

Free service offered by the RASCL Resilient Project Implementation Committee to Delaware communities needing technical assistance and advice to initiate or complete resilience-related projects.

We will help you identify solutions, project partners, funding, what is needed to start a project, connect you with the appropriate professionals, and more.

Who is this intended for?

- Incorporated cities and towns in Delaware
- County governments
- Common interest community groups
- HOAs
- Faith-based organizations
- Non-profit organizations
- Chambers of Commerce

How do you get in?

The PGG offers 20-minute time slots on a first come, first served basis to communities who complete a brief sign-up sheet.

RASCL PROJECT GUIDANCE GROUP

Do you have a resilience-related project that you could use technical assistance or advice on? RASCL is here to help!

The RASCL Project Guidance Group is a free service being offered to Delaware communities needing technical assistance and advice to initiate or complete resilience-related projects. The group is staffed by RASCL-affiliated experts who are lending their time and assistance in an advisory capacity.

Communities needing advice on how to start a project or implement an already-identified project are welcome to participate in the Project Guidance Group. Twenty-minute slots will be offered on a first come, first serve basis to those communities that complete a brief, one-page sign-up sheet.

For the purposes of the Project Guidance Group, RASCL will accept requests from:

- Incorporated cities and towns in Delaware
- County government
- Common interest community groups
- Homeowner associations (planned communities, condominiums,
- Faith-based organizations
- Non-profit organizations
- Chambers of Commerce
