

RASCL

RESILIENT AND SUSTAINABLE
COMMUNITIES LEAGUE

Resources

RASCL Committees

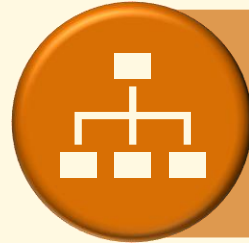

Steering Committee

Provide strategic direction and leadership, following the Strategic Plan goals and member directives

Community Planning Assistance

Provide resources for communities to identify and plan for challenges and opportunities

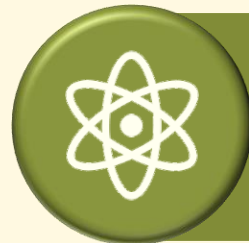

Resilient Project Implementation

Identify and implement on-the-ground projects that support communities and fellow practitioners

Outreach and Events

Develop informative, engaging events and materials for both RASCL members and Delaware communities

Science and Research

Connect scientific research communities and practitioners to share knowledge and research project outcomes, and to elevate community research needs
